CAREER OBJECTIVE

Aspiring Software Developer with a strong foundation in Data Structures and Algorithms and hands-on experience in full-stack development using the MERN stack (MongoDB, Express.js, React.js, Node.js). Passionate about building efficient, scalable, and secure web applications. Eager to contribute to dynamic tech teams, continuously learn, and solve real-world problems through clean and optimized code.

EDUCATION

- **BTech CSE (IoT)** | Kakatiya Institute of Technology and Science | **CGPA-7.4** | 2022-2026
- **HSC(12th)** | Value Oak college | **Percentage: 95** | 2020-2022
- **SSC (10th)** | SR Prime School | **Percentage: 75** | 2020

SKILLS

- **Programming languages-** C, C++, JavaScript (JS), CSS, HTML.
- **concepts-** DSA(Data Structures and Algorithms)
- **frameworks-** React, Express
- **Web Development:** RESTful API, JWT Authentication
- **Database-** MongoDB, Mysql
- **other skills-** Problem-Solving ,Teamwork , Communication

PROJECTS

Habit Tracker | GitHub: [Habit-Tracker](#)

- HabitTracker – A habit tracking platform with daily progress, streak visualization, and intuitive UI. Built with React, MongoDB, and Tailwind CSS for a clean, responsive experience.

Favicon Generator | GitHub: [Favicon-generator](#)

- Developed a web platform for generating custom favicons with personalized text, fonts, colors, and sizes.
- Features OAuth login, real-time preview, and .ico download support.
- **Tech Stack:** React, Vite, custom CSS, .ico generation.

INTERNSHIPS

Full Stack Intern -Innovate Intern

June 2024 – Sept 2024

Project: WebHostManager

Built a scalable web hosting client management system using the MERN stack. Implemented secure authentication, responsive UI, and efficient MongoDB integration for smooth data handling.

Backend Intern – CourseVita

23-Jun-2025 -Ongoing

Project: Book Your Nearest Videographer

Contributing to the backend development of a videographer booking platform. Responsible for building APIs, managing database integration, and ensuring smooth server-side operations as part of a collaborative team.

CERTIFICATIONS

- CISCO | Introduction to Cyber Security | Certificate: [View Certificate](#)
- CISCO | Introduction to Packet Tracer | Certificate: [View Certificate](#)
- CISCO | Cybersecurity Essentials | Certificate: [View Certificate](#)
